**Re: Emission Source Reference Number 89-0155-01/63824
Kroger L-892 Fuel Center
1408 Sparta Street
McMinnville, Warren County, TN 37110**

Dear Will:

I am requesting the installation address be changed in TDEC's permit database from 1410 Sparta Street to 1408 Sparta Street. Also, please send Kroger Limited Partnership I a new operating permit to display at the fuel center. This change is being requested due to the fact that Warren County 911 EMS assigned a physical address of 1408 Sparta Street to the fuel center.

Please advise if you have any questions or require additional information.

Sincerely,

Gary Walters
Kroger Limited Partnership I
